## Company details

### Independent Actuarial Consultants (Pty) Ltd (IAC)

We are an independent, empowerment actuarial and investment advisory organisation.

Since 2002 we have been building a solid foundation based on values, skills and service. The IAC team now totals almost 25 persons including 4 qualified actuaries.

Our highly skilled team and innovative management makes us extremely flexible and well positioned to surpass clients' expectations. Flexibility, client services and innovation have set us apart from the competition. We are responsible corporate citizens, with strong BEE credentials and a focus on job creation and skills upliftment.

### Our mission

IAC strives to be the premier independent actuarial and investment consulting firm in South Africa. This is to be achieved by continually providing impartial, customised actuarial and investment advice and services, to best suit the needs of our clients.

## Our clients

Over the years TAC has worked with over 100 institutional clients, of all sizes.

In addition to providing ongoing actuarial services, we have performed a number of independent actuarial investigations for various Government and Parastatal organisations.

- Retirement funds and other institutions (e.g.: medical schemes)
- Parastatals, Government and Municipalities
- Corporates
- Insurance Organizations (life, funeral)
- Legal / Community

## Your Unique Flexible Choice

- Our flexible client centric culture places significant emphasis on understanding you our client and your needs.
- Our experienced and highly skilled dedicated professional team strives to provide innovative and market driven services to our clients.
- Our AAA+ Certified empowerment credentials demonstrate our commitment to transformation.
- Highly innovative client offerings (including market firsts)
- We offer competitive pricing with a strong value offering
- We offer independence and integrity Supporting SME (Enterprise Development)
